SECTION II

PURPOSE

The purpose of this ordinance is to carry out the provisions of the State Land Division Act (1967 PA 288, as amended, formerly know as the Subdivision Control Act), to prevent the creation of parcels of property which do not comply with applicable ordinances and said Act, to minimize potential boundary disputes, to maintain orderly development of the community, and otherwise provide for the health, safety and welfare of the residents and property owners of the Township by establishing reasonable standards for prior review and approval of land divisions with the Township.

SECTION III

"Divide" or "Division" does not include a property transfer between two or more adjacent parcels, if the property taken from one parcel is added to an adjacent parcel; and any resulting parcel shall not be considered a building site unless the parcel conforms to the requirements of the State Land Division Act, or the requirements of other applicable local ordinances.

- B. The assessor or designee shall maintain an official record of all approved and accomplished land divisions or transfers.
- C. Approval of a division is not a determination that the resulting parcels comply with other ordinances or regulations.

of all consideration received or pledged therefore, together with any damages sustained by the purchaser, recoverable in an action at law.
